Dear SHS Families,
The school year is off to an excellent start! We are very proud of our students' first nine weeks performance. Thank you to students, parents and staff for your hard work and dedication each and every day! Be proud of SHS! You have made this school a fantastic place to learn and work!

I encourage all parents to become involved in supporting their child and the school community. Please visit the Powerschool Parent portal at <https://ps.lexington4.net/public/> to get current information on your child's academic success. Our school website at www.lexington4.net/shs also provides a copy of the student/parent handbook and other important information for parental use. Please feel free to contact teaching, guidance or administrative staff with any additional questions or needs. Thank you for taking an active role in your child's education!

Attendance for Course Credit: Grades 9-12

- 1) High school credit may be denied if the student has more than five (5) absences in a half unit course or more than ten (10) absences in a whole unit course, regardless of academic performance in the class.
- 2) Students who lose credit due to attendance will receive a 61 as the final grade of the course. This grade is mandated by the state uniform grading scale, and it affects the student's grade point average (GPA).
- 3) It is important that the student provide notes for every absence. Medical excuses/notes should be secured from the doctor's office at the time of the visit and presented to the attendance clerk upon the student's return. Faxed medical notes are acceptable - only when faxed directly from the doctor's office.

Attendance Make-Up

Students will be charged \$5 for each class period of attendance they wish to make-up. (4 class periods of attendance make-up is 2 hours and will cost \$20) Participation in attendance make-up is voluntary. See Guidance Counselor for more information.

November Student of the Month:

William Dailey

William Dailey moved to Gaston when he was eight years old with his father and sister. He has attended elementary, intermediate, middle and high school in Lexington District Four. He received student of the year in middle school in seventh and eighth grades. In ninth grade he was placed in honors classes where he was challenged and met those challenges. In tenth grade he made a decision he says "he will never regret." Along with his school work, he started wrestling in the eleventh grade and received most improved on the team. As a senior, he is now a member of the BETA club, ranked number eighth in his class with a 4.6 GPA, and he cannot wait for wrestling season to begin.

POWERSCHOOL

Parents or guardians of an SHS student can access to a student's grades and attendance by login into the PowerSchool account.

If you don't have a password, or having trouble logging in, feel free to contact the school for more information.
